No more crying, no more sighing  
No more long lonely goodbye-ing  
I'm coming home to be alone with you

No more tears and no more fears  
No more wondering through the years  
We've time enough 'cause I'm in love with you

I'll be with you  
With you

No more waking aching nightly  
Without you holding me tightly  
Life without your loving just won't do

It hurts so bad when I'm away  
I'll never leave you and I'll never stray  
I'm a man but baby, I'm no fool
