I could mend those who crawl away
But my aggression is far too great
Far too great

So you question my lack of faith
Maybe one day you'll see it my way
See it my way

When you sold me out
Stripped me of
All my youth
You've ripped my heart out
The innocence is dead and gone

I'm abusive
I'm offensive
I'm exactly what you meant for me

I'm a user
I'm a bastard
Your not safe with me
Your not safe with me

I should crumble and fall away
But my obsession is overweight
It's overweight

Your intention was all a fake
Believe when I say
You'll get yours one day
Maybe today

When you sold me out
Stripped me of
All my youth
You've ripped my heart out
The innocence is dead and gone

I'm abusive
I'm offensive
I'm exactly what you meant for me

I'm a user
I'm a bastard
Your not safe with me
Your not safe with me

I cannot forgive you
I cannot forget the suffering
And all your sins

I'm abusive
I'm offensive
I'm exactly what was meant for me

I'm abusive
I'm offensive
I'm exactly what was meant for me

I'm a user
I'm a bastard
Your not safe with me
Your not safe with me

I cannot forgive you
I cannot forget the suffering (the suffering)
And all your sins...
