Wash my hands of all my sins today
Left it all behind me
Thoughts of either one I pushed away
You don't understand me
No more nothingness
No more emptiness
No more thoughts of this
To bring me down again

No more nothingness
No more emptiness
No more thoughts of this
To bring me down again

With all your sins! And it's over now, so this is how it
ends
I can't live
I can't breath
With or without you
Just go away

My obsession is to break away
From all your pain and sorrow
A confession on my darkest day
But I'll repent tomorrow

No more nothingness
No more emptiness
No more thoughts of this
To bring me down again

No more nothingness
No more emptiness
No more thoughts of this
To bring me down again

With all your sins! And it's over now, so this is how it
ends
I can't live
I can't breath
With or without you
Just go away

No more nothingness (no more)
No more thoughts of this
No more emptiness! (so this how)
So this how it ends

Down again from all your sins
But it's over now
So this how it ends
I can't live
I can't breath
With or without you just

DOWN AGAIN! With all your sins
And it's over now
So this how it ends
I can't live
I can't breath
With or without you
Just go away

I can't live
I can't breath
With or without you
Just go away

I can't live
I can't breath
With or without you
Just go away

With or without you just go away
