I don't give a fuck what you think about it,
I'd just as well kill you today.

I'm cursed with the pain!
No I know,
I can't pretend it, I can't pretend it.

Shake another slave.
I hope I never never get it,
I hope I never never get it.

Masochistic
Anti-Social
All these things say "make me loco"
Masochistic
Suicidal
All these things make me HOMICIDAL.

Masochistic
Anti-Social
All these things say "make me loco"
Masochistic
Suicidal
All these things make me HOMICIDAL!

I don't give a fuck what you think about it,
I'd just as well kill you today.

No more apologies, It's all I can take!
No more regret for the truces that I make,
You say you love me, you hate me
I don't give a fuck today!

Obsolete from everyone!
The people Of hypocrisy, of hypocrisy
I cannot come undone.
A chance to get away from me. Get away from me.

Paranoia, out to get me.
Wont forget, the words you betrayed me.

Heres something for yea

Domination
Welcome you to my determination.

Paranoia, out to get me.
Wont forget, the words you betrayed me.
Heres something for yea
Domination
Welcome you to new domination.

I don't give a fuck what you think about it,
I'd just as well kill you today

No more apologies, It's all I can take!
No more regret for the truces that I make,
You say you love me, you hate me
I don't give a fuck today!

No more apologies, It's all I can take!
No more regret for the truces that I make,
You say you love me, you hate me
I don't give a fuck today!

Gone today, the weight of the world
They say my pain is over
As long as I stay sober.

(I don't give a fuck what you think about)
I'd just as well kill you today.

No more apologies, It's all I can take!
No more regret for the truces that I make,
You say you love me, you hate me
I don't give a fuck today!

No more apologies, It's all I can take!
No more regret for the truces that I make,
You say you love me, you hate me
I don't give a fuck today!
