Help me forget, these memories of you
And everything that never was

I'll mend from this, with all of my regrets
And all your secrets of the past

There's nothing wrong with me
There's nothing wrong with you
My god we are so perfect.

Perfect laugh
Perfect fake
Perfect chance to get away

Perfect love
Perfect hate
My Perfect fate that you could obtain

You do anything to make me suffer
But I could not let you go
Your so perfect
Perfect

You will forget
These memories of me
And everything that could have been

There's nothing wrong with me
There's nothing wrong with you
My god we are so perfect.

Perfect laugh
Perfect fake
Perfect chance to get away

Perfect love
Perfect hate
My Perfect fate that you could obtain

You do anything to make me suffer
But I could not let you go
Your so perfect

PERFECT!

(There's nothing wrong with me)
(There's nothing wrong with you)

(There's nothing wrong with me)
(There's nothing wrong with you)

(There's nothing wrong with me)
(There's nothing wrong with you)

(There's nothing wrong with me)
(There's nothing wrong with you)

(There's nothing wrong with me)
(There's nothing wrong with you)

My god, your so perfect!
My god, your so perfect!

Perfect laugh
Perfect fake
Perfect chance to get away

Perfect love
Perfect hate
My Perfect fate that you could obtain

You'd do anything to make me suffer
But I could not let you go
Your so perfect

Perfect laugh
Perfect fake
Perfect chance to get away

Perfect love
Perfect hate
My Perfect fate that you could obtain

Your so perfect

Could obtain

Your so perfect

Could obtain

Your so perfect

Could obtain
