Can you feel me?
When you heal me, thrill me, kill me?
Would you hurt yourself just to bring me down?

Sometimes
I lose myself in your lies
Abuse myself in my mind
I'd hurt myself just to bring you down

(I believed in you)
I believed in you
(I trusted you)
I trusted you

All I ever knew was to bleed for you
This time I can't forgive you

The music kills me
When you're so empty
I lived through it all
And I can't forget you

But I am breaking
You've forsaken me
I can't go on
I am through with you

For the last time
I'm not O.K.
I'm not alright
It feels so good just to watch you drown

You should notice
I prefer you to be breathless
I hope you're feeling helpless
It feels so good just to watch you drown

The music kills me
When you're so empty
I've lived through it all
And I can't forget you

But I am breaking
You've forsaken me
I can't go on
I am through with you

It feels so good
To watch you burn
It feels so good
To watch you burn

It feels so good
It feels so good
It feels so good
To watch you burn

The music kills me
When you're so empty
I've lived through it all
And I can't forget you

But I am breaking
You've forsaken me
I can't go on...

The music kills me
When you're so empty
I've lived through it all
And I can't forget you

But I am breaking
You've forsaken me
I can't go on
I am through with you

Can you feel me?
When you heal me
Thrill me
Kill me

Would you hurt yourself just to heal me, thrill me, kill
me
(Bring me down)
Would you hurt yourself
Can you feel me? Heal me, thrill me, kill me
(I am through with you)

Would you hurt yourself just to heal me, thrill me, kill
me
(Bring me down)
Would you hurt yourself
Can you feel me? Heal me, thrill me, kill me

(I am through with you)

I.

Am.

Through.

With.

You.
