Pre>em a d g

I'd like a one-way ticket home, ticket home

Em a d d

Where I can watch television, talk on the telephone

Em a d

But every town I wander there's a billboard on a throne

A7

Ticket home

D

I want a ticket home

Em a d g

Does anybody know my name, or recognize my face

Em a d g

I must have come from somewhere, but I can't recall
the place

Em a d g

They dropped me at the matinee, they left without a
trace

A7

Ticket home

D

I want a ticket home

G d

Elvis presley is the king, I was at his crowning

E g a

My life just flashed before my eyes, I must be drowning

Seems like only yesterday I climbed aboard the plane
Raping distance in the skies, while diving in
champagne

I would be in exile now, but everywhere's the same

Ticket home

I want a ticket home

Elvis presley is the king, I was at his crowning

My life just flashed before my eyes, I must be drowning

Seems like only yesterday I climbed aboard the plane
Raping distance in the sky, while diving in champagne
I would be in exile now, but everywhere's the same

Ticket home
I want a ticket home
