My heart is beating faster
Can't control these feelings anymore
I've waited long enough
I want it more than anyone

It's time to step up
And deliver what you wanna see
My blood is pumping
Now this is how it's gonna be

It's 45 minutes of love
I wanna see you push and you shove
I'll show you just how far to go
It's time to lose all our control

So feel it
I can't control these feelings anymore
Believe it
My heart is racing and I can't seem to get enough

Am I dreaming?
Feels like a drug but I know it's just adrenaline
Go, just feel it
Ooh, my heart is beating faster

My adrenaline reached its limit
I can feel it taking over me
My head is spinning
And it seems like I can hardly breathe

You get a taste
It's like a drug that you don't wanna leave
So if you want it let me see
You put your fist in the air
It's 45 minutes of love
I wanna see you push and shove
I'll show you just how far to go
It's time to lose all control

So feel it
I can't control these feelings anymore
Believe it

My heart is racing and I can't seem to get enough

Am I dreaming?
Feels like a drug but I know it's just adrenaline
Go, just feel it
Ooh, my heart is beating faster

My heart is beating faster
Can't control these feelings anymore
I've waited long enough
I want it more than anyone

It's time to step up
And deliver what you wanna see
My blood is pumping
Now this is how it's gonna be

So feel it
I can't control these feelings anymore
Believe it
My heart is racing and I can't seem to get enough

Am I dreaming?
Feels like a drug but I know it's just adrenaline
Go, just feel it
Ooh, my heart is beating faster

It's 45 minutes of love
My heart is beating faster
My heart is beating faster
