Yeah
All my life
Uh-huh
Ooh, yeah, yeah
Why

All of my life, I've been searching
For the words to say how I feel (how I feel)
I'd spend my time thinking too much (yeah, yeah)
And leave too little to say what I mean
But I tried to understand the best I can
All of my life (yeah, yeah, yeah)

All of my life, I've been saying sorry (sorry, sorry)
For the things I know I should have done (done)
All the things I could have said come back to me
Sometimes I wish that it could just be gone (I wish, I
wish, I wish, I wish)
Seems I'm always that little too late
All of my life (yeah, yeah, yeah, yeah, yeah, yeah)

[Chorus]

Said enough, I'll take a drink with you
Pull up a chair, I think I'll stay
Said enough, cos I'm going nowhere
There's too much I need to remember
There's too much I need to say

All of my life

All of my life, I've been looking (looking)
But it's so hard to find the way (find a way)
Just reaching past the goal in front of me
While what's important just slips away (every day)
And it doesn't come back but I'll be looking
All of my life

Listen to me now
Listen to me now
Listen now

[Chorus]

Said enough, I'll take a drink with you
Pull up a chair, I think I'll stay
Said enough, cos I'm going nowhere
There's too much I need to remember (I need, I need to
remember baby)
There's too much I need to say (yeah, yeah, yeah,
yeah, yeah)

Yeah, yeah, yeah, yeah
All of my life
All of my life

Check it out now, now

All of my life there have been regrets
That I didn't do what I could
Play station upstairs, while you watched TV
Said I didn't spend the time I should
And that's a memory I'm gonna live with
All of my life

All of my life (all of my life)
All of my life (all my life)
Ooh, yeah
Yeah
All of my life (all of my life)
All of my life (life, life)
