It's been five months since (Ohhhh) you went away  
Left without a word and nothin' to say  
God send me an angel

God send me an angel from the heaven's above  
Send me an angel to heal my broken heart from being  
in love  
Cause all I do is cry  
God send me an angel to wipe the tears from my eyes

Amanda: See it's been five months since you went  
away  
Left without a word and nothing to say  
Want to wil' out want to up and leave  
See it's all about you it's not about me  
Break me down from in and out  
See I knew from the jump you had some doubts  
Should have known then you would never stay true  
Should have known then that I could never change you  
Now I'm on my knees and I'm begging god please  
Take away this pain that I'm feeling cause it's just too  
much for me  
And I try to open up my eyes I sure do try to see  
But this man got my heart in a box and I can't even find  
the key god please

God send me an angel from the heaven's above  
Send me an angel to heal my broken heart from being  
in love  
Cause all I do is cry  
God send me an angel to wipe the tears from my eyes

Preemo: Come on that's right come on  
No matter what I do it stays the same  
Told me I got to leave cause I wouldn't change  
Still I couldn't see I was stuck in the game  
Told me to leave my key or the locks gonna change  
You want a new day one without me  
But I'm stuck with this pain while she's yelling get out  
Pre  
What happens when your ride or die chick is living

every night with some good bye ish  
Inside I'm dying  
Just want to kiss your eye lids  
Help the pretty green eyes stop crying  
One more chance take a trip to Hawaii  
She just looked at me and started sighing  
I guess this is good bye still not realizing what it all  
means  
Still got the dreams that included you and me  
Got me on one knee willing to do anything to make it  
right  
I'm trying to get doctor Phil's number for advice

Amanda: I never thought twice when I rolled the dice  
Never thought so many times you'd make me cry  
Deep down in my heart I used to believe that I was  
meant for you and you was meant for me  
But without trust there is no love  
And I'm sure gonna miss them kisses and hugs  
Got to let go or I never will  
Can't wait for the nights where I can't stay still  
Love ain't for free got to pay the bills  
Say that you won't but I know that you will  
Deep in my heart I know you'll never change  
And everything that you do I'll always be the blame

God send me an angel from the heaven's above  
Send me an angel to heal my broken heart from being  
in love  
Cause all I do is cry  
God send me an angel to wipe the tears from my eyes

God send me an angel from the heaven's above  
Send me an angel to heal my broken heart from being  
in love  
Cause all I do is cry  
God send me an angel to wipe the tears from my eyes

Oh god...send me an angel  
Send me (Oh baby) an angel  
Send me an angel from the heavens above  
Send me an angel to heal my heart from being in love  
Oh god...(Amanda Perez...Preemo) send me an an
