I came home early to see you
Couldn't wait to hold you
I've been away for so long now

But as I walked through the doorway
My heart was shattered
To find that you're not alone

When will I break into pieces?
It's your mistake, I finally see that
Everything I thought was you was a lie
Now you left love dying
It's in the arms of a stranger

The days just seem so much longer
Now that I'm without you
It never seems to get better

I'll try to hold it together
And I can't wait for
The day you fade from my memory, yeah

When will I break into pieces?
It's your mistake, I finally see that
Everything I thought was you was a lie
Now you left love dying

It's in the arms of a stranger

In the arms of a stranger
In the arms of a stranger

When will I break into pieces?
It's your mistake, I finally see that
Everything I thought was you was a lie
Now you left love dying
It's in the arms of a stranger, yeah

When will I break into pieces
It's your mistake, I finally see that
Everything I thought was you was a lie
Now you left love dying

It's in the arms of a stranger

When will I break

(In the arms of a stranger)

It's your mistake

Everything I thought was you was a lie

Now you left love dying

In the arms of a stranger

I came home early to see you

Couldn't wait to hold you

You're in the arms of a stranger
