"Broken"

Alone again, again alone
Patiently waiting by the phone
Hoping that you will call me home

The pain inside my love denied
Hopes and dreams swallowed by pride
Everything I need, it lies in you

'Cause I'm broken, I know, I need you now
Deep inside, I'm broken, you see the way I live
I know, I know, your heart is broken when I turn away
I need to be broken, take the pain away

I question why you chose to die
When you knew your truth I would deny
You look at me, the tears begin to fall

And all in all faith is blind
But I fail time after time
Daily in my sin I take your life

'Cause I'm broken, I know, I need you now
Deep inside, I'm broken, you see the way I live
I know, I know, your heart is broken when I turn away
I need to be broken, take the pain away

All the hate deep inside, slowly covering my eyes
All these things I hide way from you again
All this fear holding me, my heart is cold and I believe
Nothing's gonna change until I'm broken

'Cause I'm broken, I know, I need you now
Deep inside, I'm broken, you see the way I live
I know, I know, your heart is broken when I turn away
I need to be broken, take the pain away

Broken, broken, broken, broken, broken
