How does it feel  
to be under the eyes  
watching so closely  
buy what you can't have  
what'd you have  
wish I could everything you have  
and you wonder where your friends have gone  
how's it feel to have  
just a few ones  
wish you had more than the one you had  
everything that you ever had

*[Chorus:]*

I wish I could find a way  
to wish it all away  
and all that you want from me  
can disappear  
with your jealousy

How does it feel  
to be under the eyes  
watching closely  
buy what you can't have  
what'd you have  
wish I could everything you have  
and you wonder where your friends have gone  
how's it feel to have  
just a few ones  
wish you had more than the one you had  
everything that you ever had

*[Chorus]*

Green eyes watching you  
wishing they could be all of you  
wait a little moment, take from me  
everything they take from me  
*[x3]*

*[Chorus]*
