(I met her in the morning, and my heart stood still
a doo ron ron ron, a doo ron ron
somebody told me that her name was Jill
a doo ron ron ron, a doo ron ron
yeah my oh my, yeah all the time
when I walked her home
a doo ron ron ron, a doo ron ron)

It's got me on the run, it's got my brain tied
it's got me down as the trains pass by
all these people crowding my sight
I wonder if my head was ever screwed on tight
concrete buildings are all that I see
I used to never let it bother me
I used to never let it bother me
last train, remember me

[Chorus:]

Walking past the cracks on 2nd street, watching
lights and sounds the city doesn't sleep, and I say
get this fucking city out of my brain, so I
guess I'll have to wait for the last train
remember me

Yeah, concrete buildings are all that I see
I used to never let it bother me
I used to never let it bother me
last train, remember me

[Chorus]

Remember me
Last train, remember me
[x3]

Remember me
You gotta remember me
You gotta remember *[x9]*
me, me, me, me, me
