"Let go"

I feel so alone - again.
I know that I need you...
To help me make it through the night.
'cause I pray that you... believe - in me.
You gave me my strength...
To face another day alone.

N' I need you now, my friend.
More than you know, yeah yeah.
When will we meet again?
'cause I can't let go... of you.

This world brings me down - again.
I know that I need you...
To help me make it through the night.
'cause I know that you're the one - for me
You gave me my strength...
To face another day alone.
N' I need you now, my friend
More than you know, yeah yeah.
When will we meet again?
'cause I can't let go.
I can't let go.

As time passes by I find...
Things never seem to change.
When I feel alone,
You bring me back to you.

N' I need you now, my friend.
More than you know, yeah yeah.
When will we meet again?
'cause I can't let go... of you.
No I can't - let - go.
