### "Lift Me Up"

Visit "[Lift Me Up](#)" on [MotoLyrics.com](http://MotoLyrics.com)

When I'm down on my luck and im searching for my  
soul  
When i'm feeling too much and i start to lose control  
When i'm down so low that even enemies dont wanna  
know  
You still care for me say a prayer for me and i know

Ooo I like you hangin' round  
Cause you lift me up when i am upside down  
Ooo you are my favourite sound  
Cause youre always down for

Lifting me up like an angel when i hit the ground  
Feel your arms all around me when im feeling down  
Lift me up like an angel when i hit my low  
when your arms are around me  
i don't wanna let you go

When i'm lost along way and I can't face another day  
And if i stumble on the road and if i cant carry the load  
And if i lose my faith, and kindness, and generosity  
Would you hold my hand?  
Say you understand my pain

Ooo i like you hangin' around  
Cause you lift me up when i am upside down  
Ooo you are like an angel when i hit my low  
When your arms are around me  
I don't wanna let you go

Lifting me up like an angel when i hit the ground  
Feel your arms all around me when i'm feeling down  
Lift me up like an angel when i hit my low  
When your arms are around me  
i don't wanna let you go

Its been a long hard road and its only just begun my  
friend  
And this i know you helped me carry the load  
Cause you're always down for

Lifting me up like an angel when i hit the ground  
Feel your arms all around me when im feeling down  
Lift me up like an angel when i hit my low  
Well youre always around  
Youre my favourite sound

Lift me up like an angel when i hit the ground  
Feel your arms all around me when im feeling down  
Lift me up like an angel when i hit my low  
When your arms are around me  
i don't wanna let you go

I don't wanna let you go  
Cause you lift me up now  
Well you're always around..  
you're my favourite sound  
Lift me up now  
You lift me up  
Lift me up now  
Yeah youre always around  
you're my favourite sound

Lift me up  
Ohh...Yeah...
