Ladies you're damn right  
You can't read a man's mind  
We're living in two tribes  
And heading for war  
Nobody's perfect  
We all gotta work it  
But fellas, we're worth it  
So don't break the law

Your call's late, big mistake  
You've gotta hang about in limbo for as long as I take  
Next time, read my mind and I'll be good to you  
We're gift-wrapped kitty cats  
We're only turning into tigers when we gotta fight back  
Let's go, Eskimo  
Out into the blue

Come take my hand  
Understand that you can  
You're my man and I need you tonight  
Come make my dreams  
Honey hard as it seems  
Loving me is as easy as pie, I

I'm just a love machine  
Feeding my fantasy  
Give me a kiss or three  
And I'm fine  
I need a squeeze a day  
Instead of this negligee  
What will the neighbours say  
This time

I've been going crazy while you sleep  
Searching for a language  
That the two of us can speak so  
Whistle through your story, make it real  
And I'll breathe underwater '  
'Cos I like the way it feels

Your call's late, big mistake

You've gotta hang about in limbo for as long as I take  
Next time, read my mind and I'll be good to you  
We're gift-wrapped kitty cats  
We're only turning into tigers when we gotta fight back  
Let's go, Eskimo  
Out into the blue

Come take my hand  
Understand that you can  
You're my man and I need you tonight  
Come make my dreams  
Honey hard as it seems  
Loving me is as easy as pie, I

I'm just a love machine  
Feeding my fantasy  
Give me a kiss or three  
And I'm fine  
I need a squeeze a day  
Instead of this negligee  
What will the neighbours say  
This time

Oh, it's very new  
Can anybody tell me what to do?  
Oh, this feeling's very strange  
Can anybody tell me what's you're game?

(Oh) A little education  
(Oh) To give you motivation  
(Oh) Whatever situation  
(Oh) 'Cos I don't wanna change ya  
(Oh) I'm living with a stranger  
(Oh) I'll only re-arrange ya

(Oh) I'm just a Love Machine  
(Oh) To give you motivation  
(Oh) I'm just a Love Machine  
(Ooh, ooh)  
(Oh) I'm just a Love Machine  
(Oh) To give you motivation  
(Oh) I'm just a Love Machine  
(Oh, oh,
