Heaped from a snowy white mountain
Slipped down a snowy white hill
Came from a water fountain
Water was sweet until

Sunshine on a shiny ocean
Sunshine on a shiny bay
I opened a tiny shutter and
Sunshine blowing me away

And I don't know a thing
Don't know a thing
Don't know a thing
Don't know a thing
Don't know a thing
Don't know a thing
Don't know a thing about perfect white girls that wear
gold and

I'm very busy
I'm very very busy baby
I'm very very busy becoming invisible
Why would you want
Why would you want to disappear
School is a women
Ask any woman that's sitting here

And I don't a thing
Don't know a thing
Don't know a thing
Don't know a thing
Don't know a thing
Don't know a thing
Don't know a thing about perfect white girls that wear
gold and

If you kiss their asses long enough
They might let you kiss their asses
If you kiss their asses long enough
They might let you kiss their asses

So here I come in a river my hips
Here I come with my big red lips
Hidden now a newfound friend
Cause I'm never going back again

And I don't a thing
Don't know a thing
Don't know a thing
Don't know a thing
Don't know a thing
Know a thing
La la la la la la
