"Photograph"

Fear falls hard like rain again
Washing over me
You say nothing will ever change
What do I believe?

You fall deep inside again
Nothing left to see
Weakness fills your heart again
You put it to rest

Forfeit everything
'Cause you were never strong enough
Close my eyes again
And pray that life will not give up

I try to see your face again
A photograph for me
Your voice calling out again
Nothing left for me

You try to find your place again
Waiting just to breathe
Weakness takes your heart again
You put it to rest

Locked inside again
Locked inside again
Locked inside again

Forfeit everything
'Cause you were never strong enough

Close my eyes again
And pray that life will not give up

Forfeit everything
'Cause you were never strong enough
Close my eyes again
And pray that life will not give up

Did you forget about the things I said?
Fight the lies inside your head

Deny those who try to bring you down

Kill the pain and emptiness
Find a love and lose yourself
Without this life, you're just a memory

Locked inside again
Locked inside again
Locked inside again

Forfeit everything
'Cause you were never strong enough
Close my eyes again
And pray that life will not give up

Forfeit everything
'Cause you were never strong enough
Close my eyes again
And pray that life will not give up
