You say you love me  
Then burn me again  
It's so easy to let you in  
Now I'm standing at the end again

You lifted me up  
You're tearing me down  
I don't know where to go from here  
Feeding the rage that hides within  
You have finally locked me in  
Will you ever let me go?

Pretty poison you're in my veins  
Go away, go away  
I don't need you anymore

You trap me, you haunt me, you trick me again  
You're the reason I always give in  
You have pushed me to the edge again

You lifted me up  
You're tearing me down  
I don't know where to go from here  
Feeding the rage that hides within  
You have finally locked me in  
Will you ever let me go?

Pretty poison you're in my veins  
Go away, go away  
Won't you leave me for just one day?  
Just one day?  
Pretty poison you're in my veins  
Go away, go away  
I don't need you anymore

Leave me alone, leave me alone  
All the voices inside my head  
Leave me alone, leave me alone  
All the voices inside my head

Pretty poison you're in my veins  
Go away, go away

Won't you leave me for just one day?  
Just one day?  
Pretty poison you're in my veins  
Go away, go away  
Won't you leave me for just one day?  
Just one day?  
Pretty poison you're in my veins  
Go away, go away  
I don't need you anymore
