His heart microscopic  
She thinks that its love but to him its sex  
He listens to emo but fat mike's his hero  
His bank account's zero  
What comes next?

Same song different chorus

*[Chorus:]*

It's stupid, contagious  
To be broke and famous  
Can someone please save us from punk rock 101  
My Dickies, your sweat bands  
My spiked hair, your new Vans  
Let's throw up our rock hands for punk rock 101

He traded it for drums at the local pawn shop

Same song second chorus

*[Chorus]*

Did you just say that?  
I said

*[Chorus x2]*

It's stupid, contagious (same song different chorus)  
To be broke and famous (same song different chorus)  
Can someone please save us from punk rock 101

My Dickies, your rock hands  
My spiked hair, your new Vans  
Let's shoplift some sweatbands for punk rock
