You used to make me so mad
Make me so mad
I was almost glad why you make me so mad
And if I wasn't still mad
Probably feel sad
Sorry for you
So sorry and sad

Nothing was ever free
But you still had me
You didn't want that better than me (?)
And if there was no trace

The only friend you ever had
Was that you never got famous
Makes a good distraction
In case you start to feel bad about your
Undiscovered genius
Makin' everyone so mad

You used to make me so mad
Make me so mad
I was almost glad why you make me so mad
I really don't have time
Believe that I had
Swallow the pill
Of your bitter end
Sad, sorry and
