Lately I've been wandering  
Off the narrow path  
You've given me so many things  
That I've never had

All in all I know it's you  
That always pulls me through  
If you reach deep inside  
You'll see my heart is true

'Cause I hate the way I feel tonight  
And I know I need you in my life  
Yes, I hate the way I feel inside  
And I promise to make the sacrifice, yeah

Come on

The world I know is pulling me  
More and more each day  
I feel like the odd man out  
As I begin to pray

Spiteful eyes are watching me  
With everything I do  
In the midst of darkness, Lord  
My spirit calls for you

'Cause I hate the way I feel tonight  
And I know I need you in my life  
Yes, I hate the way I feel inside  
And I promise to make the sacrifice, yeah

(You know sometimes deep inside)  
I feel like this

'Cause I hate the way I feel tonight  
And I know I need you in my life  
Yes, I hate the way I feel inside  
And I promise to make the sacrifice

Yes, I hate the way I feel tonight  
And I know I need you in my life, yeah

The way I feel like the way, the way I feel
