I turn away
From your love
And I feel so far away
From where I need to be
Wont you hold me in your arms
Tonight
Cause Lord I need you

When I feel low
You whisper to me
(You Say)
I can be anything that I want to be
Wont you hold me in your arms
Tonight
Cause Lord I need you

Wont you open up my world
Wont you show me where to turn
Wont teach me who I need to be
Wont you open up my world
Wont you show me where to turn
Wont you teach me who I need to be

Now I know
Your love for me
Cause it shines brighter than the stars
And lasts for eternity
Wont you hold me in your arms
Tonight
Cause Lord I need you

Wont you open up my world
Wont you show me where to turn
Wont teach me who I need to be
Wont you open up my world
Wont you show me where to turn
Wont you teach me who I need to be

Pardon me now
Ive fallen again
I pray youll understand

Pardon me now
Ive fallen again
I pray youll understand

Wont you open up my world
Wont you show me where to turn
Wont teach me who I need to be
Wont you open up my world
Wont you show me where to turn
Wont you teach me who I need to be

Who I need to be..
