Some learn; many do.
Cover up or spread it out.
Turn around, had enough,
Pick and choose or pass it on.
Buying in, heading for
Suffer now or suffer then.
Its bad enough
I want the fear...need the fear

[Pre-Chorus]

Cause he's alone (where have we gone)
He's alone (where have we gone)

[Chorus]

All without making it and your pushing it and your
leading us along
The hassle of all the screaming fans the had it makes
when its most

After all, whats the point?
Cause levatation is possible.
If your a fly; a cheating gun.
Theres time for this and so much more.
Its typical, come write a world
A special place of my designs
To never cope or never care just use the key

[Pre-Chorus]

Cause he's alone (where have we gone)
He's alone (where have we gone)

[Chorus]

All without making it and your pushing it and your
leading us along
The hassle of all the screaming fans the had it makes
when its most

Over and Over a slayn
Became
Over and Over a slayn
