Hey there stranger  
Do you remember?  
You were a part of my life  
Early December  
Think I remember?  
Sentiment cuts like a knife  
The seasons are changing  
Life's rearranging  
Full of good times  
Would have beens  
Its all your fault  
And whereve you been  
And how time goes  
And though I dont even know  
How to fill in the spaces  
of the love youve erased in my life

Are you where you wanted to be?  
Did you get there easily?  
Did I make you sacrifice?  
Did you make a sharp left  
When you should have turned right?  
Are you wherewanted to be?  
Did you sell off all your gold  
Did you trade it in?  
Did you wait for love  
Or settle for somebody to hold?

And barely symphonic  
But strangely ironic  
Moments contained in one glance  
Oh how i adored you  
But now im ignored by you  
Nowhere a tint of romance  
And now its vaguely familiar  
i think i remember sharing every single intimacy  
It doesnt seem so strange to me that we barely  
entertained  
Even the politest of phrases  
But sometimes at night  
I conjure you up in my mind

Are you where you wanted to be?  
Did you get there easily?  
Did i make a sharp left  
When you should have turned right?  
Are you wherewanted to be?  
Did you sell off all your gold  
Did you trade it in?  
Did you wait for love  
Or settle for somebody to hold?

While I was busy  
Perfecting the art  
Of deflecting compliments  
I took it too far  
And i let a ripple run right through my heart  
Of battle stations we're building  
You and i just grew apart  
We grew apart

While i decided  
To make everyone else happy  
i just put aside  
My foolish pride  
I guess I denied  
My own desire  
I was too busy pleasing  
To ever be pleased  
I forgot how to breathe  
Or question anything  
Or ask why?  
Am I?

Am I where I wanted to be?  
Did i get here easily?  
Did I make a sacrifice?  
Did I take a sharp left  
When i should have turned right?  
Am I where i wanted to be?  
Can i sell off all of my gold?  
Can I trade it in?  
Will I wait for Love  
Or settle for somebody to hold

I'd settle for somebody to hold now

You know that ive been up and ive been down  
ive been picked up and spun around  
id do it all again  
if i could just have somebody to hold now  
I just need somebody to hold now

Could somebody hold me now?  
I just want somebody to hold me now  
I'd do it all ag
