[Verse]

You hate me when im always watching videos,
11:30 and you just cant sleep,
You think whatever am i playing on my sterio
Its so pathetic that it makes you weep,

[Bridge]

And the beat goes on when i get back home,
And i run straight past you to the telephone,
And my feet dont fit in your sensible shoes,
and you just wont quit till you kill my groove,

[Chorus]

Whooo, it freaks me out, ive got to scream, ive got to
shout,
Whoo, it freaks me out like halloween, i have no doubt,

[Verse 2]

I think your wierd, its written on your resume,
You say im stupid, your my best friend too,
And if i smile, im doing it to get my way,
And if i dont, ive got an attitude,

[Bridge]

And the beat goes on when i get back home,
And i run straight past you to the telephone,
And my feet dont fit in your sensible shoes,
But you just cant quit till you kill my groove,

[Chorus]

Whoo, it freaks me out, ive got to scream, ive got to
shout,
Whoo, you freak me out, like halloween i have no
doubt,

[Chorus x3]
