It's hard to tell you how I feel, exactly what do I say,
These feelings from within for now, they just get in my
way,
It seems that lately for some reason, we've been torn
apart,
A bond so strong at one point, has it been blown away,

[Chorus]

I'm gonna say this now and I won't hold back,
Have our hearts grown apart, do we still have a
chance?
Do we still have those hopes and dreams?
And then I feel like giving in, forgetting what's been
said,
Pretend like things are just the way, they were when we
were young,
To share emotions we have shared, in friendship,
brotherhood
