For once in my life I've got something to say
I wanna say it now for now is today
A love has been given so why not enjoy
So let's all grab and let's all enjoy

If the kids are united then we'll never be divided
If the kids are united then we'll never be divided

Just take a look around you, what do you see?
Kids with feelings like you and me
Understand him, he'll understand you
For you were him, and he was you

If the kids are united then we'll never be divided
If the kids are united then we'll never be divided

I don't want to be rejected
I don't want to be denied
Then its not my misfortune
That I've opened up your eyes

Freedom is given to speak how you feel
I have my freedom, how do you feel?
They can lie to my face but not to my heart
If we all stand together it will just be the start

If the kids are united then we'll never be divided
If the kids are united then we'll never be divided
