You're beatin' up on your friends,
'Cos you're so insecure,
You wanna be the toughest,
But we all know for sure,
You thrash because you know
You're gonna start another fight,
But maybe when it's too late,
You'll finally see the light,
(Chorus)
You're tough, you fight, you win, so what! (x2)
You listen to the music,
It's the coolest thing to do,
But you don't ever listen
To what it says to you.
Your boots don't make you bigger,
Your pose is nothing new,
Someday it's gonna happen
When we watch you fuckin' lose
(Repeat Chorus x4)
