Darlin' it's getting old  
All the drama that you put me through, whoa  
I've second guessed my reasoning  
For giving all I have to loving you  
Can't wait another night  
I'm getting out tonight  
I'm gonna lay it all out

Oh, I feel like leaving 'cause you're holding me down  
Wrapped up in chains, yeah, you're holding me down  
Gotta break away if I'm gonna survive  
To hell with you, baby, my worst love of all time

A little love you gotta try  
To get me in of get me outta here, whoa  
Before you laugh, you always cry  
Moods changing like the ring you wear  
Won't wait another night  
I'm getting out tonight  
I'm gonna lay it all out

Oh, I feel like leaving 'cause you're holding me down  
Wrapped up in chains, yeah, you're holding me down  
Gotta break away if I'm gonna survive  
To hell with you, baby, my worst love of all time

Listen to me baby for a second if that's alright, alright,  
all  
Running out of reasons why I'm back here every night  
(what I'm crying about)  
Nothings ever felt so wrong in my life (what I'm crying  
about)  
Gotta let me out before I give up all my pride, my pride,  
my pride, my pride, my pride, my pride, my pride

Oh, I feel like leaving 'cause you're holding me down  
Wrapped up in chains, yeah, you're holding me down  
Gotta break away if I'm gonna survive  
To hell with you, baby, you've wasted my time

Oh, I feel like leaving 'cause you're holding me down  
Wrapped up in chains, yeah, you're holding me down

Gotta break away if I'm gonna survive  
To hell with you, baby, my worst love of all time
