Change of you hair, let's me know
Your growing need to just let go and fall.
Believe a lie we can repair
But through your smile I am aware of it all.

We close our eyes,
We close our eyes,
We close our eyes,
Screaming out one more time.

For the rest of the night,
Let's pretend everything is alright.
Cause tomorrow I know,
That I won't wanna let you go (ohh).

Sadness is building in my heart,
I'm so afraid to let it start the fall.
Letting this just continue on,
Guilt starts to surface far beyond my love (yeah).

We close our eyes,
We close our eyes,
We close our eyes,
Screaming out one more time.

For the rest of the night,
Let's pretend everything is alright.
Cause tomorrow I know,
That I won't wanna let you go (ohh).
I can't let you go (ohh).

(Uhhh)
I can't believe this ain't love anymore (yeah).
(Uhhh)
I gotta retrieve what we lost,
Through it all.
Bring it back to whole.

For the rest of the night,
Let's pretend everything is alright.
Cause tomorrow I know,
That I won't wanna let you go (ohh).

For the rest of the night,
Let's pretend everything is alright.
Cause tomorrow I know,
That I won't wanna let you go (ohh).
I can't let you go (ohh).
(Ohh, yeah, ohh, yeah, ohh, yeah, ohh, ohh, ohh, ohh,
ohh)
