See his bones across the dust
On the road to zap city
Devil's slow to recognize
Whether we all live in zap city
Young girls fly to the beaches
Take me now boys, take me now preachers
Sanctify, sanctify to the old deal, zap city

Zap city, she's so pretty
Win all day, more than too many
Zap city, she's so pretty
The girl of your dreams

Live in sanction, sandy girls (sandy girls)
Hot on route 66 to zap city
Another day in paradise
Metropolis moves like a hungry wolf (hungry wolf)
Plastic palm trees, are they real? (are they real?)
Line the roadside to zap city
Buildings red, life on the sky
Dancin' drug addicts real, so far

Zap city, she's so pretty
Win all day, more than too many
Zap city, she's so pretty
The girl of your dreams

Zap city, she's so pretty
Win all day, more than too many
Zap city, she's so pretty
The girl of your dreams, yeah

Gasoline, masculine
I'm praying she-dog bites
Beauty queens wrapped up inside
Gettin' hot, stayin' up all night
Siren's cry breaks through the night
God, oh he's gone to fly
Zap city, you know it's so pretty
She's so goddamn pretty

Zap city, she's so pretty
Win all day, more than too many
Zap city, she's so pretty
The girl of your dreams

Zap city, she's so pretty
Win all day, more than too many
Zap city, she's so pretty
The girl of your dreams, yeah, yeah, yeah

City, city, city
Yeah, yeah, yeah, yeah

City, city, city
Yeah, yeah, yeah, yeah

City...
