If you're gettin it I want to know  
I like it when you put on a show  
Don't be shy if your gettin it  
If your gettin it tell me so, tell me so

Now throw your head back baby  
Now throw it on back ta me  
Yes and holler, holler, holler baby

"Cookie Dough"

When you're walkin shakin hips  
Go side ta side can't catch my breath  
Without air I'm gonna die  
My sweet chariot I'm swingin low  
You make me rise like cookie dough

If you're gettin it tell me so  
If you're gettin it tell me so  
And then throw your head back woman  
Throw it back to me  
I want cha ta holler, holler and tell me baby-yes

"Cookie Dough"

Whisper to me move up close  
If you're gettin it tell me so  
Throw your head back baby  
And holler out cookie dough, cookie dough  
Got me a bomb it's heatin up slow  
Any second baby gonna explode  
If you're gettin it I want to know  
If you're gettin it tell me so  
Then throw your head back baby  
Throw it back to me  
Yes and holler, holler, holler

"Cookie Dough"

Chocolate cream, lemon meringue  
What's your thing girl? I know what you want  
Holler baby, holler out, tell me so

"Cookie Dough"
