For the memorial  
Of this day  
( 91101)

AMERICA

We lost one fight but  
Still we stand here today  
Side by side to make  
Sure Satan doesnt get his way

He started a fire and he wants  
Us to throw gasoline on it  
But we wont  
We will not quit

Quit the game of life  
Nor let the devil win  
God is with us all  
We dont have to sin

Murder kill attack and  
Retaliate thats what people say  
Let those words disappear in thin  
Air and get rid of the hate today

God will punish those who  
Brought destruction on our soil  
He will scar them, blind them, and  
Leave them to suffer as their skin boil

So America, stay strong with  
Your head to the sky  
And let them see no fear in your  
Face so keeps your eyes dry

AMERICA.

HABAKKUK 3:16

God will punish those who attack us
