A broken bat in the grass
Takin' one too many fastballs
Tired of swingin'

Spin the wheels, grindin' gears
Goin' nowhere in a downpour
Mud just slingin'

That's what it feels like
Climbin' uphill all the way
Like life's a wild horse
I ain't ever gonna break

If you didn't love, if you didn't love
If you didn't love me then I don't know how
I don't know how I could do this

If you didn't love, if you didn't love
If you didn't love me then I don't know how
I'd get through this, if you didn't love me
If you didn't love me

A mountain top, another shot
I'm born again
And put some fight back in me
Sunrise, oh yeah

That's what it feels like
Wakin' up in your arms, girl
Without your sweet smile
This would be a tougher world

If you didn't love, if you didn't love
If you didn't love me then I don't know how
I don't know how I could do this

If you didn't love, if you didn't love
If you didn't love me, I don't know how
I'd get through this, if you didn't love me

Sometimes it feels like
I'm runnin' straight into the wind

You whisper three words
And it's at my back again
Yeah, it's at my back again

If you didn't love, if you didn't love
If you didn't love me well, I don't know how
I don't know how, I could do this

If you didn't love, if you didn't love
If you didn't love me, I don't know how
I'd get through this, if you didn't love me
If you didn't love me
