You like a dozen wine-red roses
Candle light on a porcelain set table, and that's fine
I'll go out of my way for you anytime (that's right)
The fire's warm, so you take off your sweater, now it's
my turn
I'll do you one better, that's the game we both like to
play
[chorus]
You wink, I laugh
We know a little hug leads to a foot rub
Then a hot tub
Then a french kiss on a bear rug
Do you like it, do you like it
How about this, you wanna try it
Oh, oh, oh, oh
I'll take that as a yes
You like snugglin' with your pillow
With my arms tight
Holdin' us together, breathin' deep
Driftin' like a feather in the stream
Then I touch you on your shoulder
Feel your skin, soft
Underneath my fingers
And I know we'll never get to sleep
[chorus]
It's written all over your face
There's no mistake, no guess
No doubts, no beatin' around the bush
Baby, it's understood
[chorus]
I'll take that as a yes
Take that as a yes
We know a little hug leads to a foot rub, hot tub, bear
rug
Yeah, I like it, I like it, wow
Yes
