It's the way of the world
It's the way of my heart
And it's something I cannot change

I'm a man who runs
From the things that he loves
I'm a man who wants his way

Only You can save me
Only You can save me

From the inside out
From the outside in
Let Your truth and Your grace
Change me

From the man I am
And have always been
To the man that You
Want me to be

From the inside out
From the inside out

It's the way of the world
Or the way of Your love
And there's nothing in between

I could walk either way
But Lord, I wanna stay in Your love
'Cause that's what I need

Only You can save me
Only You can save me

From the inside out
From the outside in
Let Your truth and Your grace
Change me

From the man I am
And have always been

To the man that You
Want me to be

From the inside out
From the inside out

A man who loves mercy
Whose word is true
A man who wants nothing
But to follow You, to follow You

From the inside out
From the outside in
Let Your truth and Your grace
Change me

From the man I am
And have always been
To the man that You
Want me to be

From the inside out
From the outside in
Let Your truth and Your grace
Change me

From the man I am
And have always been
To the man that You
Want me to be

From the inside out
From the inside out
From the inside out
