Oh yeah, the quarterback down at the school
Makes all the rules 'cause he's super cool
Everybody wants to be just like him

There's a little girl in his homeroom class
Sits in the back 'cause she thinks she's fat
Lookin' for a corner she can hide in

Well, in life there ain't too many
Level playin' fields, it don't seem fair
But here's the deal, buddy here's the deal

You can walk on water
You can walk on the moon
You can walk through Memphis
Wearin' blue suede shoes

When the walkin' is over at the end of the road
It ain't what you've done son
It's who you know
Yeah, it's who you know, oh

Meet the man who owns it all
Well, that's him there on the lobby wall
Now don't it look like he's been carved from granite

His hands are soft, his heart is hard
And he only smokes the best cigars
And you'll call him sir because he's earned it man

Got a little old lady cleans up after him at night
She prays someday he'll see the light
Well, I think she's got it right

You can walk on water
You can walk on the moon
You can walk through Memphis
Wearin' blue suede shoes

When the walkin' is over at the end of the road
It ain't what you've done son
It's who you know

Yeah, it's who you know, yeah

'Cause you can walk on water
And you can walk on the moon
You can walk through Memphis
Wearin' blue suede shoes

When the walkin' is over at the end of the road
It ain't what you've done son
It's who you know
Oh, it ain't what you've done son
It's who you know, yeah, yeah
It's who you know, oh, oh
