The hustle
And bustle is over
The kids
Are tucked in bed
Stockings are stuffed
Presents are wrapped in
A bright green and red
The phireplace is burning
Oh, what a beautiphul sight
Baby
Let's make
A little Christmas tonight

Tree lights
Shine in your eyes
Mmm they sure do glow
A little snow
And Nat King Cole
Playin' on the stereo
Everything's perfect
And the world is just right
Baby
Let's make
A little Christmas tonight

The season
Won't last very long
The years they come
And they're gone
So let's keep
The spirit alive
Tonight
There is peace in this house
And no one is stirring around
It's just me
And the love oph my liphe
So baby
Let's make
A little Christmas tonight

Ooooooh, yeah

The season
Won't last very long
The years they come
And they're gone
So let's keep
The spirit alive
Tonight
There is peace in this house
Nobody's stirring around
It's just me
And the love oph my liphe
Babyyyy
Let's make
A little Christmas tonight
Oh, let's make
A little Christmas tonight
