Fat cat's just getting fatter
Linin' their pockets what does is matter
All I want is an honest wage
A piece of ground where my kid's are safe
Eighty bucks to fill truck
Old man telling me times are tough
Stickin' it to the middle class well...
They can kiss my price of gas
It's time to speak my mind

[Chorus]

Hey yea... This is my life...
Woah oh woah oh... this is my life
Hey Yea... this is my life
Woah oh woah oh... Yea! And I want it back

Republican or democrat? well...
I don't give a damn about that
I want a chance to do my Job
Pledge allegiance to my God
Talking heads tryin to find my vote
I'm just tryin to pay my note
I'm a husband tryin to be a father
Raise my son, Raise my daughter
Can you hear me?

[Chorus]

Hey yea... This is my life...
Woah oh woah oh... this is my life
Hey Yea... this is my life
Woah oh woah oh... Yea! And I want it back

Well I'm just standin on the edge of the brink
I will not go quietly
I'll tell you what I think
It's time to speak my peace
Squeaky wheel always gets the grease
One single voice don't matter
But everybody screaming up the ladder
Gonna get the attention of the man on top
Make it light or shake it right it just might come a

tumblin' down
Spread all that wealth around
That's what I'm talking about

[Chorus]
Hey yea... This is my life...
Woah oh woah... this is my life
Hey Yea... this is my life
Woah oh woah...
Yea! This is my life
This my life.

Woohhooo...
