I took a drive today  
Saw an old willow tree  
I thought about a bedroom window  
Thought about you and me

Yeah, talk about an endless summer  
I'm still living it now  
Burning in the heat of midnight  
I'll never forget how

You would whisper  
And pull me to you  
Softly kiss me and  
Hallelujah

I told you that I loved you  
And watched the tears fall down your face  
Your sweet face  
Back in the days when you were amazing Grace

Your Daddy was a Deacon at the church  
I wasn't foolin' him  
He knew everybook, chapter and verse  
Of a young man's sins

But what about those nights  
I was just down the hall  
Holdin' on to Heaven  
Prayin' that we wouldn't get caught so

You would whisper  
And pull me to you  
Softly kiss me and  
Hallelujah

I told you that I loved you  
And watched the tears fall down your face  
Your sweet face  
Back in the days when you were amazing Grace

Oh, how sweet the sound when

You would whisper  
And pull me to you  
Softly kiss me and  
Hallelujah

I told you that I loved you  
And watched the tears fall down your face  
Your sweet face  
Back in the days when you were amazing Grace

Oh, amazing Grace  
Hallelujah
