Said the cloud to the sun, "Today's no time to shine"  
(Didn't you know she's gone?)  
Said the rain to the moon, "You're not needed tonight"  
(Didn't you know she's gone?)  
"You can keep your magical moments, we don't  
need'em 'round here"

Didn't you know she's gone by now?  
I thought you'd have figured it out  
Can't you please forget her and just move on?  
But, didn't you know she's gone?

Said the tear to the pillow, "Watch out I'm ready to fall"  
(Didn't you know she's gone?)  
Said the pillow to the tear, "That ain't gonna help at all"  
(Didn't you know she's gone?)  
"Why do you insist upon crying, what's the matter with  
you?"

Didn't you know she's gone by now?  
I thought you'd have figured it out  
Can't you please forget her and just move on?  
Didn't you know she's gone?

Said myself to me, "Hey man, why can't you see?  
She's history, she's gone and she ain't comin' back"

Said the mirror to the man, "Take a good look at  
yourself"  
(Didn't you know she's gone?)  
Said the man to the mirror "A few choice words to  
myself"  
(Didn't you know she's gone?)  
Talk about a revelation, right between the eyes

Didn't you know she's gone by now?  
I thought you'd have figured it out  
Can't you please forget her and just move on?

Oh, didn't you know she's gone by now?  
I thought you'd have figured it out  
Can't you please forget her and just move on?

Didn't you know she's gone?  
Oh, didn't you know she's gone?  
Oh, didn't you know she's gone?
