Bad Move, baby I let you in,
Your a tato, under my under my skin,
And I can't wash it off,
It's a permanent mark,

I try to let it go,
I try to chill,
Still I feel I'm under your spell,
Oh why the hell can't I just move on,
Your memory, stays with me,
I can't escape I'm runnin' in place,
I can't erase you.

My mind, wish you'd just disappear,
And I can't find, anyway anyway outta here,
Cause your stuck in my brain,
And it's a miserable pain.

I try to let it go,
I try to chill,
Still I feel I'm under your spell,
Oh why the hell can't I just move on,
Your Memory, stays with me,
I can't escape I'm runnin' in place,
I can't erase you.

I'd give anything to be free,
of you and me , and me and you,
What can I do, Oh what can I do.

I try to let it go,
I try to chill,
But still I feel I'm under your spell,
Oh why the hell can't I just move on,
Your Memory, stays with me,
I can't escape I'm runnin' in place.....

Oh, I try to let it go
I try to chill,
Still I feel I'm under your spell,
Oh why the hell can't I just move on,

Your memory, stays with me,
I can't escape I'm runnin' in place,
I can't erase you.

I can't, no I can't, erase you baby,
Oh your under, your under my skin,
your under my skin, I let you in,
I can't erase you.....
