Joe's drinking tequila sunrise  
And Kati's safe and sex on the beach  
Maria loves those blue margaritas  
She likes 'em garnished with peach

I dig these dirty martini's  
And I like 'em shaken not stirred  
I come here every evening  
Just to get my mind off of her

Whoa, whoa, whoa, we're all in this together  
Whoa, whoa, whoa, one more round of regret  
And I, I, I yes I'll have another and another  
Memory vacation we're all just here to forget

Joe's wife had wandering eyes  
She left him for some young guy at work  
Kate and Maria, same story  
They fell in love with a jerk

Me, I was prideful and foolish  
And I just pushed her away  
I guess we all have our reasons  
For being in here today

Whoa, whoa, whoa, we're all in this together  
Whoa, whoa, whoa, one more round of regret  
And I, I, I yes I'll have another and another  
Memory vacation we're all just here to forget

I know that drowning our sorrows is not the solution  
Its just a temporary band-aid for the pain  
After carefully drinking I've reached this conclusion  
We've all got problems to face but it ain't happening  
today  
No not today I said

Whoa, whoa, whoa, we're all in this together  
Whoa, whoa, whoa, one more round of regret  
And I, I, I yes I'll have another and another and another  
Memory vacation we're all just here to forget

Whoa, [incomprehensible] vacation we're all just here  
to forget
