Not a worry in the world  
A crazy boy and pretty girl  
Man, life was simple then  
Nothin' that we had to do  
And no one to answer to  
'Til reality stepped in

We're growing up  
We've changed so much

I miss the innocence, the way it used to be  
The way that we outran the world 'til it caught you and me  
I miss the way it was, the way we used to laugh  
The way it felt to fall in love when dreams were all we had  
Days like this, I miss the innocence

Another morning, here I am  
Between a deadline and traffic jam  
And cursing all the signs  
We didn't talk before I left  
We're always busy doing something else  
And lately that's been on my mind

We're always rushed  
And there's no time for us

I miss the innocence, the way it used to be  
The way that we outran the world 'til it caught you and me  
I miss the way it was, the way we used to laugh  
The way it felt to fall in love when dreams were all we had  
Days like this, I miss the innocence, oh yeah

I miss the innocence, the way it used to be  
The way that we outran the world 'til it caught you and me  
I miss the way it was, the way we used to laugh  
The way it felt to fall in love when dreams were all we had

Days like this, days like this I miss the innocence, oh

Well, I miss the innocence

Ooh yeah
