You didn't have to love me like you did
But you did, but you did and I thank you
You didn't have to love me like you did
But you did, but you did and I thank you

But you took your love to someone else
Wouldn't know what it meant to be loved to death
You made me feel like I've never felt
Kisses so good, I had to holler for help

You didn't have to squeeze me but you did
But you did, but you did and I thank you
You didn't have to hold it but you did
But you did, but you did and I thank you

Everyday was something new
You put on your bag and you're fine to do
Well, you got me trying new things too
Just so I can keep up with you, yeah

You didn't have to shake it but you did
But you did, but you did and I thank you
You didn't have to make it like you did
But you did, but you did and I thank you

All my life, I've been shortchanged
Without your love, baby, it's a crying shame
Well, now I know what the fellas talk about
When they say that they been turned out

I wanna thank you, yeah, I wanna thank you
I wanna thank you, yeah, I wanna thank you
I wanna thank you, yeah, I wanna thank you
