You like a dozen wine red roses
Candlelight on porcelain set tables and that's fine
Well, I'll go out of my way for you anytime
That's right baby

The fire's warm
So you take off your sweater
Now it's my turn and I'll do you one better
That's the game, we both will like to play

You wink, I laugh
'Cause we know a little hug leads to a foot rub
Then a hot tub
Then a French kiss on a bear rug

Do you like it? Do you like it?
How about this? Wanna try it?
Oh, oh, oh, oh
I'll take that as a yes

You like snuggling with your pillow
With my arms tight holding us together
Breathing deep
And drifting like a feather in a stream

And then I touch you on the shoulder
Feel your skin soft
Underneath my fingers
And I know, we'll never get to sleep

You wink, I laugh
'Cause we know a little hug leads to a foot rub
Then a hot tub
Then a French kiss on a bear rug

Do you like it? Do you like it?
How about this? Wanna try it?
Oh, oh, oh, oh
I'll take that as a yes

It's written all over your face there's no mistake
No guess, no doubt, no beatin' around the bush

Baby it's understood

You wink, I laugh

'Cause we know a little hug leads to a foot rub

Then a hot tub

Then a French kiss on a bear rug

Do you like it? Do you like it?

How about this? Wanna try it?

Oh, oh, oh, oh

I'll take that as a yes

I'll take that as a yes

I'll take that as a yes

'Cause we know a little hug leads to a

Foot rub, hot tub, bear rug, yeah

Wouldn't you love

Wouldn't you love

Wouldn't you love

Yeah, I like it, I like it

Yes
