I just left Bobby's house
The service was today
Got me thinkin' about how fragile life is
As I drove away

You know, Amy was his only love
In a moment she was gone, long gone
It could have been me or you
Oh, baby, there's no time to lose

So I'm gonna bring home a dozen roses
An' pour us a glass of wine
An' I'm gonna put on a little music
An' turn down the lights

An' I'm gonna wrap my arms around you
An' rock you all through the night
An' I'm gonna love you
Like it's the last day of my life

I drive off when the sun comes up
I get back when it's gone down
There's so much I wanna do with you
But I can't be around

Whoa, time has been just like a thief
It's stolen too much from us
So once it's gone we can't make it up
So tonight, let's get back in touch

I'm gonna bring home a dozen roses
An' pour us a glass of wine
An' I'm gonna put on a little music
An' turn down the lights

An' I'm gonna wrap my arms around you
An' rock you all through the night
An' I'm gonna love you
Like it's the last day of my

Life is a rainbow, it's a spring snow
It's the mornin' dew

An' I don't wanna waste another minute
Without you

So I'm gonna bring home a dozen roses
An' pour us a glass of wine
An' I'm gonna put on a little music
An' turn down the lights

An' I'm gonna wrap my arms around you
An' rock you all through the night
An' I'm gonna love you
Like it's the last day of my life

I'm gonna love you
Like it's the last day of my life
Oh, oh
