Never seen the Mona Lisa
Never walked across the moon
Never been to Casa Blanca
But I've been to Cancun
I'll never make the Fortune 500
On what I get paid

Please don't pity me,
'Cause I've got everything I need

Life don't get no better
I could live forever and never top this
Oh, I'm in poll position
Got a sweet suspicion there ain't nothin'
I've missed
Baby look at us
Standing in the middle of this ultimate love

When I was seventeen I shook
Joe Namath's hand
Once I won karaoke singin' "Piano Man"
One time in Vegas I won me 700 bucks
That's all real cool stuff but it don't

Measure up

Life don't get no better
I could live forever and never top this
Oh, I'm in poll position
Got a sweet suspicion there ain't nothin'
I've missed
Baby look at us
Standing in the middle of this ultimate love

Well, I don't know too much, but I know this love
Is bigger than the both of us

Life don't get no better
I could live forever and never top this
Oh, I'm in poll position
Got a sweet suspicion that there ain't nothin'
I've missed

Baby look at us
Standing in the middle of this ultimate love
Love, love
